Subject: Deed restriction agenda item

Scott,

I'd like you to help me with an item that will lift a deed restriction on some land the City sold to Bill Walters back in 1999. I'd like to get this ready for the second meeting in May. It is a City item, not RDA.

See me for details.

Doug

Doug:

I need to get briefed and some background and detailed docs on this? Is there anyone we can speak to for such?

Scott
