Julie,

Scott Adams said not to transcribe. If Tom would like to listen to the tape he's more than welcome.

The meeting took approximately 15 minutes to complete and Scott said there's no need to transcribe.

Thanks,
Lani

re: Bill Walters Agreement

5-13-05

Tom,

Scott Adams, Steve Van Gorp and I met with Bill Walters and Michael Luce, President Walters Group today. We will send a copy of the minutes from the meeting as soon as Melanie has available.

Mr. Walters indicated there is an agreed upon map with public works that identifies the easement set-back requirements by the city of Las Vegas, per his meeting with Dick Goecke last week. We'll need to obtain a copy as an exhibit to the final agreement.

Mr. Luce will send over the outline of the financial deal points discussed with Dr. Selby.

Please call me if you have any questions.
